A major part of a volunteer's role is to be able to respond rapidly in the event of an emergency, which may be medical or which may well result in having to evacuate patrons from the building. It is a condition of your appointment as a **volunteer** at New Mills Art Theatre that you are physically fit enough to carry out these duties. New Mills Art Theatre will assess volunteers' ability to undertake the job safely on an on-going basis. If you have any medical condition that may affect your ability to carry out particular duties please alert the Front of House Manager at your introductory session. I have read and understand the information given and wish to undertake training as a volunteer.
